Responsibility for Loss or Damage

Unless a greater value is recorded in the insured value field as appropriate for the UPS shipping system used, the shipper agrees that the released value of each package covered by this receipt is no greater than \$100, which is a reasonable value under the circumstances surrounding the transportation. UPS does not accept for transportation and shipper's requesting service through the Internet are prohibited from shipping packages with a value of more than \$50,000. The maximum liability per package assumed by UPS shall not exceed \$100, regardless of the purchase of insurance for protection in excess of \$100. The maximum liability per package assumed by the applicable insurance company shall not exceed \$50,000 (less \$100). Claims not made within nine months after delivery of the package (six months for international shipments), or in the case of failure to make delivery, nine months after a reasonable time for delivery has elapsed (six months for international shipments), shall be deemed waived. The entry of a C.O.D. amount is not a declaration of value for insurance purposes. All checks or other negotiable instruments tendered in payment of C.O.D.'s will be accepted by UPS at shipper's risk. UPS shall not be liable for any special, incidental, or consequential damages.

All shipments are subject to the terms and conditions contained in the UPS Tariff and the UPS Terms and Conditions of Service, which can be found at www.ups.com.
